RESPONSE 50N

The Response 50N provides an entry level buoyancy aid with an advanced contoured foam construction helping to ensure correct comfort and fit when worn. In addition the Response 50N houses an array of features including a centre zip, padded shoulder straps, adjustable waist, key pocket and reflective print detailing.

KEY FEATURES

- Lightweight foam construction
- Reflective detailing
- Crotch straps on junior versions
- Adjustable waist belt with webbing channels
- Available in red and black options
