SHAMROCK QUAY | NORTHAM

William Street | Northam | Southampton | SO14 5QL

Suffolk Marine Safety have a secured lock up located at the far end of the main road in the marina on the lefthand side. In periods of the year that there is large amount of of boats being stored the lock ups can be hidden from view.

The marina has two barriers. The first tends to be up, the second one you will need to take a ticket to gain access, you **will not be charged** on exit as the marina allows for 2 hours of **FREE** Parking.

Arriving at the Marina

Entrance to the marina has a barrier which automatically lifts when approached. Second barrier you will be required to take a ticket for entry, you do not need to pay for parking. Use the ticket at barrier on exit.

Parking

Parking is **FREE** and you can drive down to the lock up and park nearby.

Storage Location | Lock Up **No. 16**

On entry to the marina and once through the barriers, please follow the main road all the way down (Pass the Yellow Welly Café). Our lock up is in a row with other lock ups. The locker is at the far left, our signage is above shutter.

Padlock Access Code

33010

Please scramble the lock after locking up. Please ensure the lock up is secure. Any problems/damage with the lock up please contact us immediately.
